

Advanced Joint Health Complex*

Joint comfort in as few as five days**

GET TO KNOW ADVANCED JOINT HEALTH COMPLEX

As we age, our bodies lose the ability to renew and maintain the supportive cartilage structures surrounding our joints and bones. For the millions of people who have joint discomfort, even simple activities can be a challenge.

Advanced Joint Health Complex* contains a **patented**, fast-acting form of Boswellia extract shown to **improve joint comfort in as few as five days***, along with glucosamine and other ingredients.

Advanced Joint Health Complex supports healthy joints in three ways:

1 Improves cushioning

Glucosamine helps maintain cartilage—the protective cushioning between joints that allows them to move more freely.*

2 Maintains healthy connective tissue

Zinc, copper, manganese, and vitamin C help build collagen and other important components of connective tissue that give strength and structure to joints.*

3 Increases joint comfort

Boswellia extract works in as few as five days to improve joint comfort.†

THE SHAKLEE DIFFERENCE

The power of nature,
unleashed by science.
Safe. Proven. Guaranteed.

At Shaklee, we are committed to innovating through science and looking to nature for the answers that can provide healthier lives. We ensure the highest quality and safety standards—conducting over 100,000 quality tests per year to ensure our products are safe for you and your family.

Advanced Joint Health Complex* is clinically supported. In a published study, the patented, fast-acting form of Boswellia extract was shown to improve joint comfort in as few as five days.**
