Helps lower cholesterol<sup>†</sup>

## GET TO KNOW CHOLESTEROL REDUCTION COMPLEX

Cholesterol Reduction Complex is a proprietary formula with **clinically proven ingredients that may reduce the risk of heart disease by helping lower cholesterol.**<sup>†</sup>

- Made with a powerful blend of sterols and stanols, which are found naturally in plants, fruits, vegetables, and grains
- Delivers 2,000 mg of plant sterols and stanols daily

Cholesterol Reduction Complex delivers daily 100% of sterols and stanols recommended by the National Institutes of Health (NIH).

To get the same amount of plant sterols and stanols, consider what you'd have to eat every day:<sup>\*\*</sup>

**6.5 Cups**  
OF SOYBEANS

**59**  
ORANGES

**47.5**  
CUCUMBERS

<sup>\*\*</sup>The nutrient content of a daily serving of Cholesterol Reduction Complex is not the same as the amount of nutrients found in the foods listed above. Detailed nutritional information can be found on the Cholesterol Reduction Complex supplement facts box. Every food provides nutrients beyond those listed above.

<sup>†</sup>Products providing 800 mg or more daily of plant sterols and stanols consumed with two different meals, as part of a diet low in saturated fat and cholesterol, may reduce the risk of heart disease. Cholesterol Reduction Complex provides 1,000 mg of plant sterols and stanols per serving, and 2,000 mg daily when used as directed.

<sup>‡</sup>To lower cholesterol, NIH recommends eating less saturated fat and cholesterol, exercising, losing weight, eating more soluble fiber, and consuming 2,000 mg of plant sterols and stanols daily.

## THE SHAKLEE DIFFERENCE

The power of nature,  
unleashed by science.  
**Safe. Proven. Guaranteed.**

At Shaklee, we are committed to innovating through science and looking to nature for the answers that can provide healthier lives. We ensure the highest quality and safety standards—conducting over 100,000 quality tests per year to ensure our products are safe for you and your family.

### Cholesterol Reduction Complex

- Contains ingredients that have been clinically proven and are supported by more than 80 studies to lower LDL cholesterol<sup>†</sup>
- Delivers daily 100% of the National Institutes of Health's (NIH) recommendation for plant sterols and stanols<sup>‡</sup>

### Why do plant sterols and stanols work?

- Plant sterols and stanols are similar in structure to cholesterol and compete for absorption in the intestines
- The net result is that less cholesterol is absorbed by the body, and less ends up in the blood stream

## IS CHOLESTEROL REDUCTION COMPLEX RIGHT FOR YOU?

- ✓ If you are interested in helping lower cholesterol
- ✓ If you are interested in supporting your heart health

NOTE: Not intended for use by children, or pregnant or lactating women. Consult your physician if you are using cholesterol-lowering medications.
