

MindWorks®

Think fast. Stay sharp.

GET TO KNOW MINDWORKS

Neural connections in our brains start declining as early as age 20, and by age 45 this decline occurs even more rapidly. Studies show the key ingredients in MindWorks® improve short-term mental sharpness and support long-term cognitive health.*

Powered by an Exclusive Chardonnay Seed Extract and Carefully Selected Guarana

Available only to Shaklee, MindWorks contains a unique chardonnay grape seed polyphenol blend created using a patent-pending water extraction process that results in a 30x concentrate of specific polyphenols.** These polyphenols have been shown in clinical studies to be more bioavailable and impact healthy blood vessel function. This extract is designed to help make vital nutrients available to the brain by supporting healthy circulation.*

Our carefully selected guarana extract has been extensively tested—guarana has long been used traditionally by Amazonian Indian tribes for its help in improving cognitive performance. And one serving of MindWorks contains less caffeine than a medium cup of decaf coffee.

Scientific studies have shown the key ingredients in MindWorks work in 3 ways:

3X BETTER
MEMORY & FOCUS
IMPROVEMENTS
THAN CONTROL

Immediate improvement in cognitive performance 3X better than the control group†

- Over time, neural connections become less efficient, impairing our ability to recall, think, and respond
- A key nutrient in MindWorks was shown in multiple clinical studies to significantly enhance memory, sharpen focus, and improve reaction time*

DESIGNED FOR
HEALTHY
CIRCULATION

Protects against age-related mental decline*

- Key nutrients in MindWorks were shown in laboratory studies to promote the formation of new neural connections, and in a clinical study to reduce brain shrinkage rate by 30% over two years***
- In addition, MindWorks key nutrients were shown in laboratory studies to effectively cross the blood-brain barrier and enter the brain*

30% LESS
SHRINKAGE
RATE OF THE BRAIN

Supports healthy circulation*

- Blood circulation is critical for delivery of oxygen and key nutrients to the brain. It is linked to neural activity

**Percentage by weight of monomeric flavanols compared to a fresh grape seed.

***Based on a two-year study of 223 adults with mild cognitive impairment. †At six hours versus control. Based on thermographic imaging results from a double-blind preliminary Shaklee employee-use pilot trial.

THE SHAKLEE DIFFERENCE

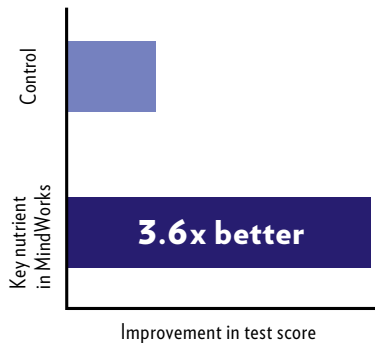

The power of nature,
unleashed by science.
Safe. Proven. Guaranteed.

At Shaklee, we are committed to innovating through science and looking to nature for the answers that can provide healthier lives. We ensure the highest quality and safety standards—conducting over 100,000 quality tests per year to ensure our products are safe for you and your family.

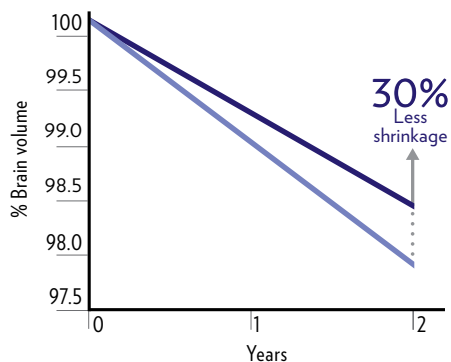

MindWorks

MindWorks contains key nutrients that have been shown in three clinical studies and dozens of laboratory studies to immediately enhance mental sharpness, along with supporting long-term brain health.*

Enhances mental sharpness with better memory and focus†

Decreases brain shrinkage rate, a common consequence of aging.**

**Based on a two-year study of 223 adults with mild cognitive impairment.

†At six hours versus control.

BETTER TOGETHER

Life-Strip™

Even if you're conscientious about what you eat, it's challenging to ensure that you're getting the nutrients you need to support optimal health. Life-Strip contains pure and potent vitamins, minerals, omega-3 fatty acids, polyphenols, antioxidants, and phytonutrients **to help create the foundation for a longer, healthier life.***

This comprehensive nutrition system contains:

- Vivix® liquigels for cellular health, healthy aging*
- OmegaGuard® Plus for heart and brain health*
- Advanced Multivitamin Vita-Lea® Life for complete nutrition, plus bone and joint health*
- B+C Complex for immune health and energy*

IS MINDWORKS RIGHT FOR YOU?

- ✓ If you are looking to enhance memory, sharpen focus, and improve reaction time*
- ✓ If you want to support your long-term cognitive health

NOTE: Not intended for use by children, or by women who are pregnant or breastfeeding.

Supplement Facts

Serving Size: 1 Tablet

Servings Per Container: 30

	Amount Per Serving	% Daily Value
Total Carbohydrate	<1 g	<1%**
Vitamin B ₆ (as pyridoxine hydrochloride)	20 mg	1,000%
Folate (as folic acid)	800 mcg	200%
Vitamin B ₁₂ (as cyanocobalamin)	500 mcg	8,333%
Calcium (as dicalcium phosphate)	75 mg	8%

MindWorks® Smart Blend: 230 mg †
 Chardonnay Grape Extract (Vitis vinifera) (seed), Guarana Extract (Paullinia cupana) (seed), Blueberry Powder (Vaccinium angustifolium) (fruit), and Green Coffee Extract (Coffea arabica) (seed).

**Percent Daily Values are based on a 2,000 calorie diet.
 †Daily Value not established.

OTHER INGREDIENTS: MICROCRYSTALLINE CELLULOSE, CROSCARMELLOSE SODIUM, HYDROXYPROPYL METHYLCELLULOSE, HYDROXYLATED SOY LECITHIN.
